# WASATCH AUTO SUPPLY CO.

Residents of the town and county area have learned it pays to consult with parts experts when they need automotive and engine parts, tools and accessories, and one of the best is Wasatch Auto Supply Co., 44 N. Main in Heber City.

All engine, drive units, electrical and carburation components are precision engineered for close tolerance and approved before they come a part of the huge inventory in their well filled shelves.

Every car, truck or tractor part manufactured can be bought through them and when you drop in to their wholesale outlet they can quickly locate the catalogued engine part through their wide ranging exchange sources and give 24-hour delivery service on most parts that must be specially ordered.

A phone call to the shop will give complete information to those who are interested in increasing engine performances for extra acceleration, top speed or general economy when area residents dial 654-0220.

For their outstanding record of supplying auto and truck owners throughout the area, and their service to garage and service station operators who do repair work, this 1971 BUSINESS OUTLOOK recommends the patronage of readers to Wasatch Auto Supply Company.

## Discusses Tourism

29 Nov 1987

The meeting was opened by President Alan Day.

The first subject of discussion was the budget for the tourism committee of the WCAB. It has not yet been presented to the county commission, but will be this week. It was noted that action must be taken quickly in order to do winter advertising.

Also regarding the tourism committee was a short discussion regarding the "information caboose." Some think that the caboose is outdated, and is not open enough hours. It was mentioned that the WCAB might consider expanding the caboose, or building a different type of information center. The new information center should in-

clude a map of Heber showing business locations, brochures, lists of events.

The retail trade committee reported on the on-going cash give-away. There still has not been a winner, this week's drawing will be at Finn's. The amount is \$200. Interest and entry forms have grown weekly.

Ken Smith gave an introduction to the WCAB of a new business moving into town. WCAB board members will attend a meeting tomorrow to meet and discuss this new company with the people responsible for bringing this new company to town.

It was also mentioned that the meeting for the sign ordinance is scheduled for Dec. 11. The WCAB needs to form an opinion on the ordinance by that time.

Answering a request from the Heber City Council, the WCAB has issued the following on the subject of home occupations:

The Wasatch County Association of Businesses feels that all businesses must be treated in a fair and equitable manner. All businesses should be licensed and should conform to zoning codes. If a variance is needed to conform to code, the license holder should be referred to the Board of Adjustments.

The next meeting of the WCAB board will be held at 12:00 noon on Dec. 3 at Blazing Saddles.

## Give-Away Has a Winner

Merchants in the Holiday Give-away presented Harold Dimond, Finley Hendrix, Marjorie Allison, Marjorie Allison with \$200 cash. Pictured is (l to r) and Scott Wright.

HEBER CITY—It was standing room only at the Finn's Reata on Saturday, as the Wasatch County Association of Businesses held the holiday give-away.

Wasatch County residents had a chance to win \$200, at this give-away, and Marjorie Allison came up with the winning ticket. Ms. Allison was present and received the \$200, in cash.

The drawing is to help the residents with their Christmas shopping, and is sponsored by the Retail Trade Association of the WCAB.

This weeks drawing will be held at Wasatch Video. The prize will be \$50. The winning ticket will be drawn, and the winner must be present to win. There are three more drawings to be held between now and Christmas.
